

Investment and Protection Fee Agreement

This agreement sets out the terms under which we will provide our services to you, so it is important that you read it fully and in conjunction with our **Investment & Protection Disclosure Document**. If there is anything you do not understand please ask us to explain it.

If you have a question or concern about any aspect of our services please contact us at:

- **Telephone:** 01752 347070
- **Email:** enquiries@tfagroup.co.uk
- **Website:** www.tfagroup.co.uk
- **In writing:** TFA, Prudence House, Langage Business Park, Plympton, Devon, PL7 5JX.

This agreement sets out our respective obligations and should be read in conjunction with the information in our **Investment & Protection Disclosure Document** plus the Way We Work folder which has also been provided to you.

1. Our obligations

Our recommendations

- Before providing advice we will assess your needs, consider your financial objectives and assess your attitude to any risk that may be involved. If you don't want to discuss a particular area of financial planning and that area should not form part of the advice given, we can exclude it, if you instruct us to do so. This might of course have a bearing on the advice that we might give.
- Before making any recommendations, we'll carry out a suitability assessment so that we are able to act in your best interests.
- We will confirm any recommendations we make in writing (our suitability report) along with details of any special risks that may be associated with the products or investment strategies we've recommended.
- Where we agree to provide you with a service that includes an ongoing review of the suitability of our recommendations, we'll carry out this review at least annually. To do this we will need to make contact with you to assess whether the information we hold about you remains accurate and up to date. We'll issue you with a report and or letter setting out the results of our assessment and, if relevant, any updated recommendations.
- Please be aware that investment values can fall as well as rise, and that you may not get back the full amount invested. The price of investments recommended may depend on fluctuations in the financial markets, or other economic factors, which are outside our control. Past performance is not necessarily a guide to future performance.
- Specific warnings relevant to the investments, investment strategies or other products we arrange are provided in the relevant product literature provided.
- We may, where appropriate, recommend holding some, or all, of your investments with a discretionary fund manager (DFM). This is a professional investment manager appointed to monitor your portfolio and make investment decisions on your behalf. In such cases we will explain the respective responsibilities of ourselves and the DFM in relation to your investments, and any additional fees that is may entail.
- In some circumstances we may need to act as your 'agent' in relation to the part of your portfolio held with a DFM. This means that you will not have a direct contractual relationship with the DFM and the

DFM will instead treat our firm as its client. Before setting up this type of arrangement we will explain the implications to you.

Financial crime

- We are obliged to put in place controls to prevent our business from being used for money laundering and other forms of financial crime.
- We'll verify your identity before undertaking any business with you. To do this we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning. The check may leave a soft 'footprint' on your credit file but it will not affect your credit rating.

Best execution

- Where we send investment applications on your behalf to third parties (e.g. to put an investment into force), we'll take all reasonable steps to ensure that we obtain the best possible result for you. This is referred to as 'best execution'.

Conflicts of interest

- Although we'll always try to act in your best interests there may be situations where we or one of our other clients has some form of interest in the business being transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your own interests, we'll write to you and ask for your consent to proceed before we carry out any business for you. We'll also let you know the steps we'll take to make sure you are treated fairly.

Communicating with you

- Our normal ways of communicating with you are by secure client portal (PFP), telephone, post, or in person.
- Our communications will be in English.
- We may ask you to confirm your instructions to us in writing as this helps to avoid any future misunderstandings.

2. Your obligations

This section sets out your obligations in agreeing to use our services.

Providing information about your circumstances

- Our advice will be based on the information that you give so it is important that you provide us with accurate and up to date information when we request details about your circumstances and objectives. This will allow us to provide you with suitable advice. If the information you provide is inaccurate or if you limit the information provided this could affect the suitability of the advice we give.

Payment for services

- By signing this agreement you are agreeing to pay the charges for our services as set out in section 5 (Services agreed). Your selected payment method is also confirmed in section 5. We'll tell you if any payments are subject to VAT.
- Our **initial** charges are payable once we've completed our agreed work and must be settled within **28 days**.
- In most circumstances (for protection planning business only) we receive a commission payment from a product provider. **If the commission payment relates to a regular contribution policy and you stop paying premiums on that policy we are obliged to refund the commission received back to the policy**

provider. In such cases, we reserve the right to request the full payment of any outstanding balance of charges for our services.

- Any products we have arranged for you will only be kept under review as part of an ongoing service for which you have agreed to pay.
- Our charges for **ongoing** services will start alongside the initial charge but on a monthly basis. Our charges are payable within 28 days of the end of the relevant period.
- **Ongoing** services can be cancelled at any time by informing us in writing (see section 3 – Cancellation and amendments) but please note that we do reserve the right to charge you for services we have provided before cancellation.
- Where our charges are based on a percentage of your investments, the amount of our **ongoing** charges will increase as the size of your fund grows. Conversely, in times when the fund value may fall, the charges too will fall, in proportion.
- In some circumstances we may receive ongoing payments (commission) from product providers relating to existing investments you hold. Such payments may be taken into account when determining the charges for ongoing services. We'll discuss and agree this with you where relevant.

Legal and accountancy advice

- We are not qualified to provide legal or accountancy advice or to prepare any legal or accountancy documents. This means that the onus remains on you to refer to a solicitor or an accountant any point of law or accountancy that may arise during the course of discussions with us, if you require an authoritative view upon which you intend to rely.

3. Cancellation and amendments

Ending this agreement

- You or we may terminate the Investment & Protection Fee Agreement at any time, without penalty.
- Notice of termination must be given in writing and will take effect from the date of receipt.
- Any transactions already initiated will be completed according to these Terms and Conditions unless otherwise agreed in writing.
- You will be liable to pay for any services we have provided before cancellation and any outstanding fees, if applicable.

Amendments

- From time to time it may be necessary to amend the terms and conditions set out in this agreement. If this is the case we will write to you with details of the changes at least **28 business days** before they are due to take effect. In most cases any changes will be clarified in a new agreement.

Product cancellation rights

- Full details of any financial products we recommend to you will be provided in the relevant product information you will receive. This will include information about any product cancellation rights along with any other early termination rights and penalties.

- You may be able to claim compensation from the FSCS if we can't meet our obligations. The amount of compensation available will depend on the type of business and the circumstances of the claim. We can provide more specific information on request, but as a guide:
 - Investments** - eligible claims for most types of investment business are covered for up to a maximum of £85,000.
 - Insurance** - in the majority of cases, eligible claims about the advising and arranging of protection products are covered for 90% of the claim, without any upper limit.
